Letter to Members of Howitt Park Neighbourhood Association

Dear Member(s):

Happy New Year! We hope that your holidays were full of joy and happiness.

There are a few things we would like to update the membership about.

City of Guelph Staff will hold a public meeting to provide information on a revised development proposal for the former LaFarge lands. This meeting will provide an opportunity for questions and answers related to the revised proposal. The meeting will be held on **January 31, 2008** at the **Cooperator's Hall** in the **River Run Centre** at **7pm**. For more information or to view the proposed concept plan, visit our website at www.hpng.ca

There has been a change in the Executive of HPNRA. In mid December, five members of the Executive resigned. The four remaining Executive Members are: Ron Foley acting President, Karen Moore, acting Treasurer, Oshea Davidson, acting Vice President and Robert Fischer, acting Secretary.

HPNRA Executive has taken steps to ensure that our membership is still involved regarding the development of the former Lafarge site. Most recently we incorporated and represented our membership at the Ontario Municipal Board pre-hearing. This will be further discussed at our meeting in February.

We are committed to keeping the membership informed, so we will be holding a meeting at the **Guelph Bible Chapel** (491 Waterloo Ave.) on **Thursday, February 7th, 2008** at **7:30 pm** to update our membership and plan for next steps.

For more information call our phone number/fax at **519-826-5338** or visit our website at www.hpng.ca

We encourage all our members and friends to attend the **public meeting at the River Run Centre on January 31** and our **membership meeting on February 7th**.

Looking forward to seeing everyone there!

Sincerely,

HPNRA Executive
